FOR IMMEDIATE RELEASE

Full Closure of Northbound SR-47 in Los Angeles for Bridge Work

LOS ANGELES— The California Department of Transportation (Caltrans) plans to fully close northbound SR-47 from Harbor Boulevard to Ferry Street for bridge work.

Work continues nightly at 7 p.m. to 3 a.m. starting Monday, December 17 through Saturday, December 22.

A signed detour will be posted for motorists' convenience. Motorists should expect delays and are strongly advised to use alternate routes or avoid the area. Additionally, motorists can check traffic conditions before they leave by visiting the Caltrans [Quickmap](#).

This \$39.5 million project has been awarded to Golden State Bridge, Inc. of Benicia, California and is scheduled to last until Fall 2019. Crews will replace bridge braces as part of the project.

Caltrans reminds drivers to be "Work Zone Alert" and to "Slow for the Cone Zone."
